

# CONSULTING - SPECIFYING engineer®

July 22, 2010

OAK BROOK, Ill. -- Consulting-Specifying Engineer magazine has announced the recipients of the 2010 40 Under 40 award. This award is given to 40 building industry professionals 40 and younger who stand out in their academic, professional, personal, and community achievements. To read a profile of each winner, visit [www.csemag.com/40under40](http://www.csemag.com/40under40).

Candidates were nominated by a professional colleague, and were judged based on commitment to excellence in a variety of areas.

The July issue of Consulting-Specifying Engineer magazine profiles each young professional, highlighting circumstances that lead them to success, recent professional projects, and personal achievements.

"These 40 professionals stand out among their peers," says Amara Rozgus, Editor in Chief of Consulting-Specifying Engineer. "They are some of the best and brightest minds of the building industry, and we can learn a great deal from their professional achievements. Author Dawn Reiss also was able to highlight their personal sides, and show how well-rounded each winner is."
